The Hawaii State Department of Health is presently considering your application for a National Pollutant Discharge Elimination System (NPDES) permit to discharge to waters of the United States.

We consider the following application to be complete and propose to issue the enclosed draft permit to:

In approximately thirty (30) days we plan to issue a public notice of the proposed actions regarding the application. If the public notice generates sufficient interest, a public hearing will be held. We would appreciate any comments you have regarding the proposed actions prior to the time of public notice, if possible. Comments will be received for a period of 30 days following the public notice.

Should you have any further questions on the enclosed material, please feel free to contact the Pollution Technical Review Branch at 808/548-6410.

Sincerely,

WALTER B. QUISENBERRY, M.D.  
Director of Health
